Or those that opt to sign up with our Yearly Program in advance.)

SENATORS ADDITIONAL INFORMATION:

SENATORS / PBR SCOUT DAY: We are partnering once again with Prep Baseball Report to provide all HS age players with a PBR Profile and scouting evaluation day. The workout is complete with all metrics from hitting / pitching / speed and defensive playing. PBR uses Trackman technology along with other aspects to create a great experience for the players.

TOURNAMENT HOTELS: Metro Senators Program does not provide team or group blocks for out of town travel. If a volunteer wishes to arrange this for your individual team, you may do so. Simply communicate that with your Head Coach. Some events may be “stay to play events”

TOURNAMENT DATES:

Figure 4 tournaments during the Fall Season. Some teams may do more. Traveling will be mostly (VA, MD, DC, WV, NC, and DE). Each team's tournament schedule will be announced at or before the Player Parent Meeting. The focus for our older teams in the fall will be to get on as many campuses as possible!!!

PRE-SEASON PARENT / PLAYER MEETING:

Each team will have a pre-season parent player meeting.
Schedule still TBD (Mid to early - Aug) **Virtual Via Zoom**

UNIFORMS:

Each player will order their uniform online through the Metro Senators site. After team selection you will be given instructions on how to do so, and you must order immediately to ensure uniforms are delivered on time. Uniforms are an additional fee, this will be the only other expense to the team other than your base team fee. Total Cost will vary between teams. Returning players may not need to re-purchase certain items. Which would reduce your season uniform fee. Ballpark Cost for New Players: \$200-\$225

GAME PLAY AND PRACTICE REQUIREMENTS / HITTERS CLUB: POSITIONAL WORKOUTS:

Teams will all compete in NVTBL in addition to 4 tournaments during the Fall season. All Teams should plan for out of town travel. Each team will practice at least 1-2 times per week prior to game play beginning. Each team will also have weekly optional positional / pitching and Hitting workouts to attend as well!! Once the games have begun, we will continue to practice at least once a week through the completion of the season, in addition to our weekly Senators position specific workouts.

Remember all players on all teams have Hitter Club access to MBA Facility daily.
